HEALTHCARE SYSTEM

GREETINGS TO ALL!

By the Founders, Dr. Hussein Musa & Dr. Adetoun Musa

Welcome to a Bright New Year with The Kingdom Healthcare System! Happy New Year! We're bursting with excitement as we step into 2024, riding on the wave of a truly remarkable year. Our journey last year was nothing short of inspiring. Here's a glimpse of our achievements:

We proudly opened our clinic doors on the South Side of San Antonio, extending our reach and care.

We made headlines on Fox News, sharing our heartfelt vision with the public.

We took strides in local governance and advocacy by networking with Bexar County Commissioners.

Through multiple speaking engagements, we voiced the change we wish to see in healthcare.
