

The Kingdom *REPORT*

HEALTHCARE SYSTEM

GREETINGS TO ALL!

*By the Founders, Dr. Hussein Musa
& Dr. Adetoun Musa*

The Kingdom Healthcare System aims to provide affordable access to primary care to all people.

In 2022 we completed three health fairs that allowed us to provide healthcare services to the community.

Our last health fair in December 2022 was especially impactful as one of our participants saw the love of God in this event and gave her life to Christ. We continue to pray that God will use this healing ministry to serve the nations.

FROM THE FOUNDERS: THANK YOU! 2022 HEALTH FAIR HIGHLIGHTS

- HUMANITARIAN AWARD
- 2023 MLK DAY PANEL DISCUSSION
- NEXT HEALTH SCREENING EVENT MARCH 4TH, 2023
- FIRST CLINIC APRIL 29, 2023

Thank you to all of our volunteers who made the health fair a success. We are grateful for your willingness to serve others.

Many people were connected to much-needed healthcare resources. We had over 13 different healthcare vendors at this event.

In December 2022, Dr. Musa was awarded the C.A. Whittier Medical Society Humanitarian Award for his dedication to community service.

Dr. Musa recently served the community on a physician panel discussion in honor of MLK day to help patients advocate for their health in connection with the Kingdom Healthcare system.

DREAMWEEK 2023 DREAMWEEK SAN ANTONIO DREAMWEEK
EXCHANGING IDEAS. INSPIRING DISCUSSION. IGNITING CHANGE.

Ask the Doctors:
Empowering you to advocate for your health

Schaefer Branch Library
